---

Dear Parents,  
Namasthe.

**Date: 01.04.2025**

Hope your wards are settled well in their classes and are getting used to the school routine.

As you are aware D A V Institutions are the biggest NGO in the educational sector managed by D A V College Managing Committee New Delhi. D A V runs over 920 institutions across India which houses more than 20,00,000+ students and having a staff of more than 1,00,000+. We operate schools with the motto of doing public service. Our vision is developing the wholesome personality of students who are able to face the strife and struggles of life. We take great pride in appreciating the staff of Matrusri DAV whose unstinted efforts have made us take the 10<sup>th</sup> position among all PAN INDIA DAV schools affiliated to CBSE in the academic achievement with a school aggregate of 83.53 in all core subjects.

The fee structure in school is so designed to support a reasonable salary to the staff working in the schools and also pay all the statutory payments to the government. As we are an unaided private institution the cost of all infrastructural and other developments in school is borne only from the fee collected. A marginal fee hike is proposed for the financial year 2025-26. The fee circular is attached along herewith for your kind perusal.

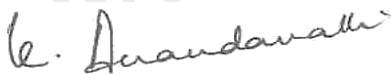

I express my heartfelt gratitude and my sincere thanks to all the parents for having cleared all your fee dues. This is the 15<sup>th</sup> year in succession that our school has no defaulters in our fee collection. I commend the parents for being so prompt & cooperative in your fee payment.

You are requested to cooperate with the management and comply with the fee payment dates for smooth administration.

We at school try to offer the best of our services to make schooling a memorable and joyful experience to children.

Parental cooperation in the smooth functioning of the school is solicited.

With warm regards,

**(K. ANANDAVALLI)**
