Dear Parents, **Date: 22.06.2026**
Namasthe.

In our continued efforts to foster meaningful celebrations and instill values of compassion, discipline, cleanliness, and social responsibility among our students, the school has adopted the following guidelines regarding birthday celebrations:

1. Birthdays are celebrated at school in a simple and meaningful manner. Birthday wishes are conveyed in the respective classes as well as during the school assembly. As part of our daily routine, a Dainik Havan is performed in the school, during which we seek the blessings of the Almighty for the well-being, happiness, and bright future of our children. Special Aahutis are offered during the Havan to the omniscient Almighty, praying for the health, happiness, and overall well-being of the children celebrating their birthdays.
2. The practice of distributing chocolates and return gifts to classmates has been discontinued. Instead, to encourage the spirit of charity and to seek the blessings of elders, students and parents are encouraged to make voluntary contributions to the School Pool Charity Fund. Contributions may be made in cash and handed over to Mr. Suresh in the School Office (Room No. 8).

   The collected funds are pooled together and utilized for charitable activities. Students are taken to the orphanage or old-age home adopted by the school, where assistance is provided in the form of food grains, essential supplies, and other materials required by the beneficiaries.
3. Chocolate distribution has been stopped as wrappers are often discarded in toilets and other inappropriate places, leading to sanitation and plumbing issues. Parents are therefore requested not to send chocolates to school on their child's birthday.
4. Kindly stop the habit of distributing pens also to teachers. Let students go to teachers and take their blessings. No gift can replace wholehearted blessings.
5. Chewing gum is strictly prohibited within the school premises. Any student found carrying or consuming chewing gum in school will be subject to disciplinary action and a heavy fine.

We seek your wholehearted cooperation in helping us foster a culture of cleanliness, discipline, compassion, and social responsibility among our students.
