Dear Parents,  
Namasthe.

**Date: 24.09.2024**

Hope this finds all of you in the best of health and cheer.  
The Periodic tests/ half yearly tests for classes III to X are scheduled to begin from 17.09.2024 (Tuesday) and will end on 26.09.2024 (Thursday).

Kindly ensure that a conducive environment of study is created at the home front, so that children are able prepare confidently to take the tests. You are requested to academically connect with your child for at least an hour every day. Please ensure that your child explains one concept every day to you. This will improve in clear concept formations, improving vocabulary, and also develop the communication skills in children. Better comprehension, analysis and application of concepts happen.

We are very carefully monitoring the learning gaps and the gaps in the reading, listening and speaking skills of children. Efforts are on from our end to bridge these learning gaps. Please ensure that half an hour of loud reading happens every day at home.

Children need to improve on their writing speed and also maintain neatness in writing. Requesting you to ensure and monitor the writing tasks of children too.

The holistic development of every child as envisaged by the NEP 2020 aims at nurturing the creative faculties of kids and we wish to make this learning a wholesome experience at school.

Parental cooperation in the various activities undertaken by school is most welcome and highly appreciated. Children are our most precious assets. Let's educate them, nurture them, care for them, nourish them and celebrate their achievements and accomplishments.

Let's join hands together in making their journey in Matrusri DAV the most memorable and cherished one.
