Dear parents,  
Namasthe.

**Date: 08.01.2020**

Hope this mail finds all of you in good cheer. The term end exams for classes III to VIII and Evaluation-IV for classes I & II are scheduled to begin from 20<sup>th</sup> February 2020 onwards.

Please create a conducive environment of study at the home front. As you are aware CBSE has done away with the CCE system of Evaluation with class X and has resorted to one end of the term examination. Similarly we are conducting examination for classes VIII (DAV Board) and IX with 100% portion. For classes VI and VII we are going with selective portion (Term II: full + Term I: 20 %). Children need to pass with a good grade to be promoted to the next class. You are requested to help and guide your children in the preparations for their examinations. Creativity and skill development needs a lot of focus in the years to come. We need to put our efforts together in the right direction to enable children to improve themselves.

The timetable for the examination is given as an attachment (Please follow the timetable and send children accordingly). The days when children do not have any exam is a preparatory holiday for them.
